

October 2023 - Housing Survey

Result as of 13th November 2023

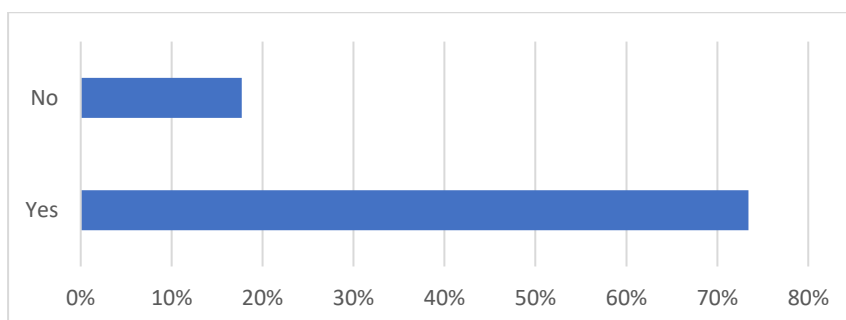

Number of completed surveys: 82

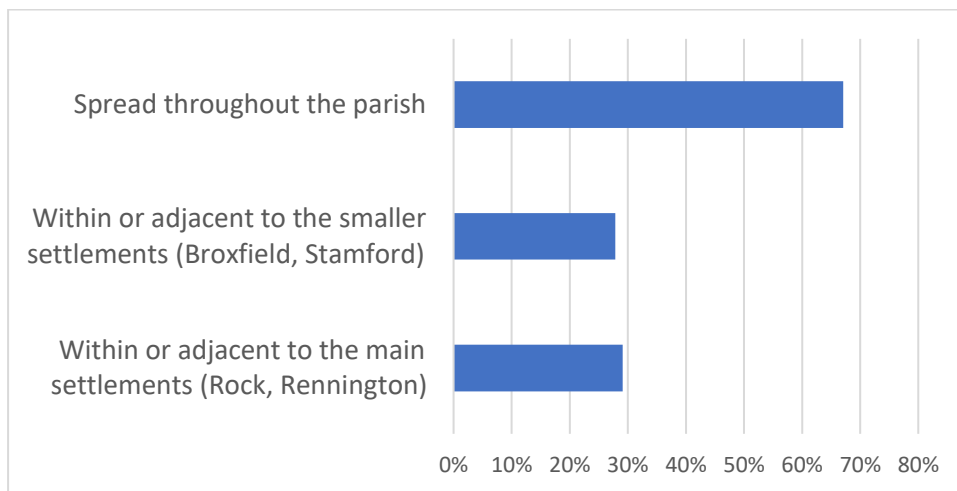

1. How likely do you think that there will be more houses built in our parish over the next 15 years?

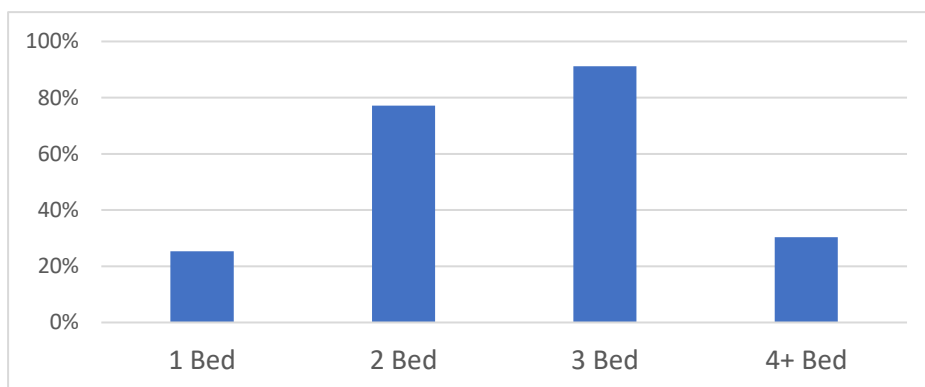

2. Should there be a Settlement Boundary (outside deemed open countryside) around Rock?

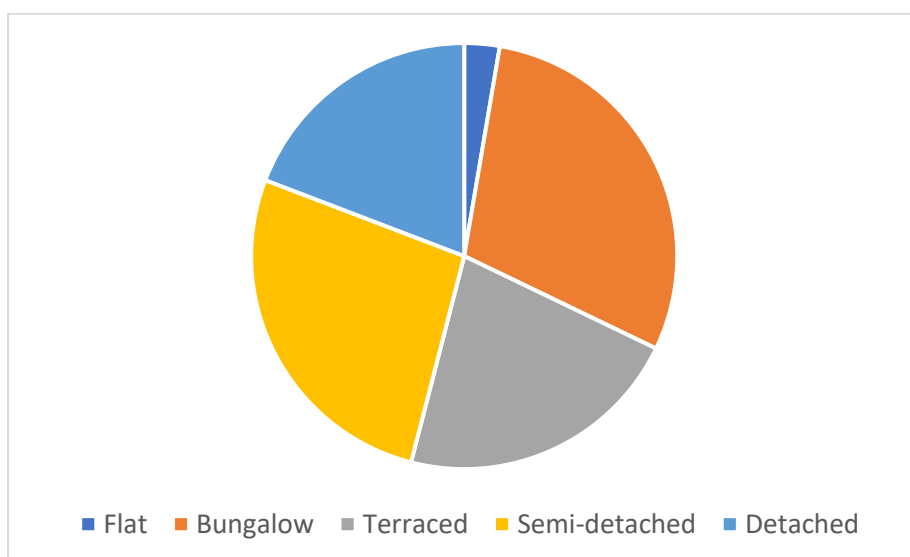

3. If there are to be additional houses built in the parish – where should they be built?

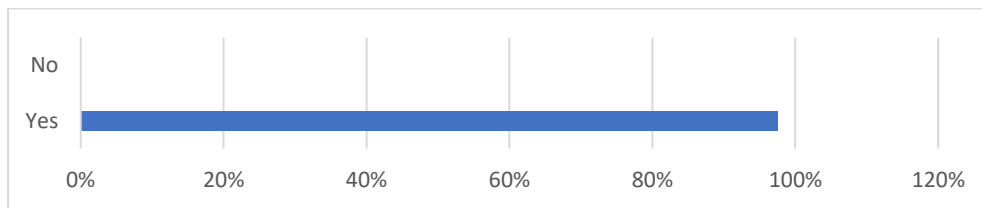

4. What size of dwelling should be built?

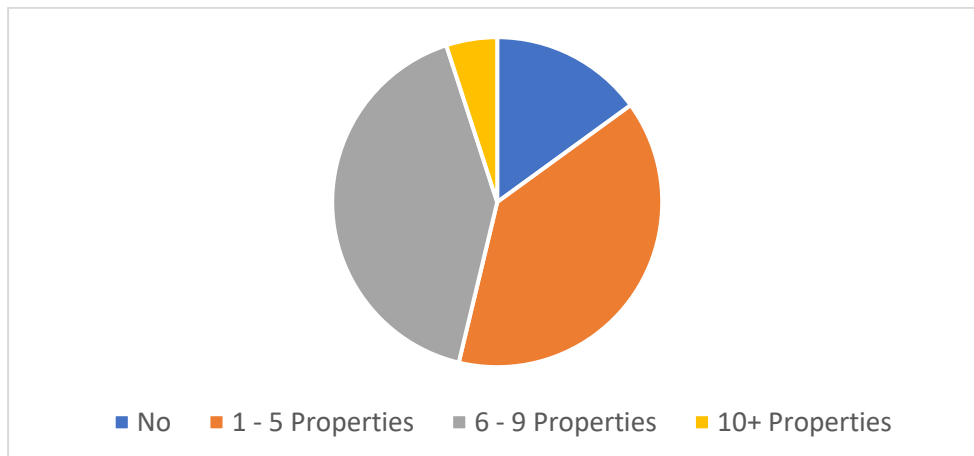

5. What type of dwelling should be built?

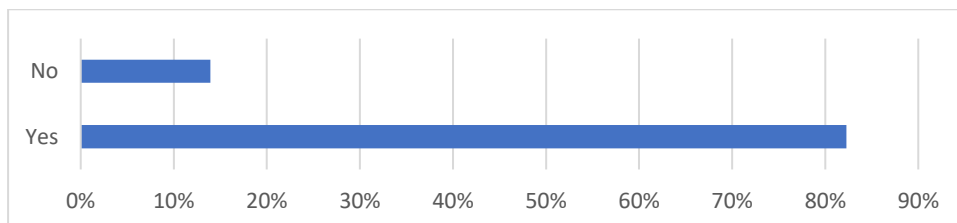

6. When planning applications are to be considered – should our Neighbourhood Plan contain planning policies to suit local communities – in addition to national & NCC policies?

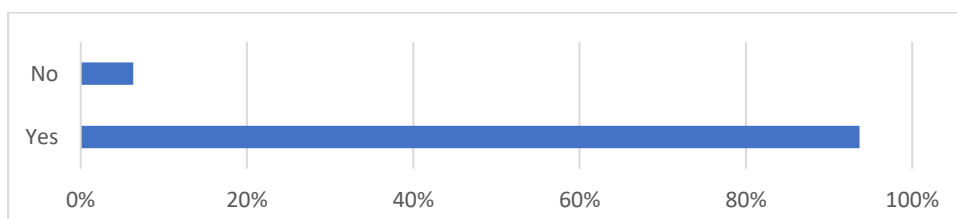

7. Should we limit the size of any housing development?

8. Should we have policies on the mix of housing (size and type) in any development?

9. Should we have policies about design (style & materials) for housing developments?

10. Where do you live?
